TO ANNEX US TO CALIFORNIA Campaign is Already On to Accomplish the End. CONGRESSMEN ENLISTED TO FIGHT THE BATTLE Supposed That it Will Work Out Difficulties of the Territory--Prospect to Proposal to be Made in Congress.

The following report of the movement to join Hawaii's interests with those of California was forwarded by the Doric mail to leading newspapers of the States. The correspondent states that the campaign for annexation to California is a well established fact: There is a strong movement on foot in Honolulu, backed by many prominent business men, Republicans and Democrats alike to have the Territory of Hawaii annexed by act of Congress to the State of California as a county or counties thereof.

This is a revival of the proposition which was suggested prior to the annexation of the islands, but which was frowned down at that time by the men in control of island politics, because it threatened to take the political power out of the hands of the then ruling faction. The movement which has in the past year become too popular to longer be repressed will in all probability be again bitterly opposed by the present local government, as soon as all the facts of the revival and its causes become public here, which will be within a few weeks.

The matter has been already brought to the attention of the authorities at Washington, and there is very good authority for stating that it has already been favorably received by the President who, it is said, sees that will end the Hawaiian Gordian knot and dispose of the present vexatious political situation here. In this connection it may be positively stated that at least five or six leading Congressmen have already been sounded by letter and in every instance favorable replies have been received, and in some instances full support promised.

At a conference held recently it was determined to submit a formal statement of the scheme for annexation to California to the President and the next Congress and urge that immediate action be taken on the proposition as soon as Congress sits. Dr. David Starr Jordan now in Honolulu has publicly endorsed the plan and believes that it will receive the hearty support of the voters of California without respect to party politics, as soon as a statement of facts is submitted. Dr. Jordan yesterday said that if the plan can be carried out, as he thinks it will, California will at once become the foremost State of the Union for diversified industries.

NEWS NOTES OF MAUI JUDGE KALUA CRITICISED FOR "JUSTICE" DISPENSARY Vendrell Will Look After Porto Ricans--Changes in Plantation Railways--Haiku Crop Finished.

Walluku, June 19.—The Bank of Hawaii will locate a branch bank at Walluku, having a capital of \$25,000, and if necessary will increase to \$100,000. They are now looking for a location. The negro who got away with \$900 at Spreckelsville, was sentenced this week by Judge Kalua to life imprisonment. The decision of Kalua has caused no end of comment and no doubt will be set aside.

The negro who stole a bottle of wine from a saloon was given six years. Dr. Raymond has opened offices here for general medical practice. J. R. Vendrell who arrived at Honolulu on March 23d from Porto Rico has been commissioned by the Hawaiian Sugar Planters Association to visit the islands of Maui and Hawaii for the purpose of examining the condition and accommodations for the laborers who are expected to arrive here.

The entire system of railroads in Kihel, H. C. & S. Co., Paia and Hamakua-poko plantations, as well as all new lines of railway have been changed to a three-foot gauge. In order to correspond with the Kahului railway system, Spreckelsville alone has some seventy miles. Surveys have been made for an extension of the Kahului railway system from their main line near Spreckelsville extending to the Paia and Hamakua-poko mills, a distance of five miles, and having an average grade of 60 feet to the mile, and enabling them to take sugar direct from both mills for shipment to Kahului. It is contemplated to build this road in time to handle the crop of 1902.

The Haiku Sugar Co. at Haiku on Maui has finished grinding for the season; the output being 5600 tons. BORN. WINTER—In Lihue, Kauai, Friday, June 20th, to the wife of G. F. Winter, a daughter.

LEO—In this city, June 23, 1901, to the wife of Walter E. Lee, a son. Dyspepsia can be, and is cured by the use of PAIN-KILLER. This is the most wonderful and valuable medicine ever known for this disease; its action upon the system is entirely different from any other preparation ever known. The patient while taking this medicine may eat anything the appetite craves. Avoid substitutes, there is but one Pain-Killer, Perry Davis'. Price 25c. and 50c.
